PANAMA INTERNATIONAL

Steel profile and sandwich panel manufacturers

- How shall you deal with REACH to comply to the regulation?
- Which sort of coil coatings will you use tomorrow to comply to the European standards?
- Can the EASIE project be of any use to your business in 3 years time?
- How will you adapt your insulation systems to meet more stringent energy efficiency requirements as a result of the European energy performance of buildings directive (EPBD)?
- How can you keep track of the different European regulations and standards directly connected to your business?
- How can you influence the European standardisation work and policy making process, in order to defend your business?

Join our meeting! Our Experts will answer
